The screenshot shows a web application interface for product selection. The browser address bar displays the URL: `navigate.uat.dtdev.co.uk/agreements/edit/08bfe65f-6240-4e67-a030-7942077204bd/products-information`. The page has a navigation bar with steps: Partial Quote, Add Customer Information, Add Vehicle Information, Add Purchase Information, Add Products & Services (active), and Review & Activate. A Customer Support number, 01279 456605, is visible in the top right.

The main content area is titled "Products & Services" and includes a sub-header: "We have selected products that meet with your details." Below this, a box lists "Reasons why products might not be eligible for selection":

- The vehicle mileage is too high
- The vehicle is too old
- The retail price of the car is too high
- The vehicle is not a UK specification

The product selection area shows three eligible products (marked with a green checkmark and "Eligible") and one not eligible (marked with a red circle and "Not Eligible").

- Warranty**: A yellow card with a white chevron icon. Includes a "VIEW PRODUCT" button.
- Assist/Recovery Customer Protect**: A pink card with a white chevron icon. Includes a "VIEW PRODUCT" button.
- Shine!Protect**: A dark blue card with a white shield icon. Includes a "VIEW PRODUCT" button.
- Not Eligible**: A yellow card with a white chevron icon.

At the bottom of the page, there are "PREVIOUS STEP" and "NEXT STEP" buttons.

A green callout box on the right side of the screen contains the following text:

This screen will display the products and services available at the dealership.

Eligibility will be displayed in the top of the product card.

If a product that you were expecting to be available / eligible here, isn't available, check the details entered on the customer information screen for the vehicle use, also check the vehicle mileage and price entered under vehicle details, as these can impact on product availability.
