You have been provided orally with information on the features, benefits and limitations of the products and services identified as potentially suitable for your needs based on your response to questions asked. In regard to each regulated insurance product you have also received this information in the form of an **Insurance Product Information Document (IPID)** which is provided to us by the policy insurer.

Having had the time to consider and to ask further questions, you have advised us that your requirement for these products is as follows:

Non-Regulated Products

Product Type	Cost	Term	Accepted	Declined	Decision Pending
Warranty	£299.00	6 Months	✓		
Assist/Recovery Customer Protect				✓	
Shine!Protect	£299.00	36 Months	✓		

Please ensure that the above reflects your informed decision and that you recognise any risk relating to the cover on declined products will be your responsibility. Don't hesitate to advise us of any error or if you have further questions.
